PICANOL PAT AIR JET RELAY NOZZLES

		
<p>44.201.205 Picanol PAT Air jet nozzle without base, single hole, nickel coated, with screw-in connection</p>	<p>44.101.205 Picanol PAT Air jet nozzle with base, single hole, nickel coated, with screw-in connection</p>	<p>44.204.105 Picanol PAT Air jet nozzle with base, 9 holes, Titanium coated, with screw-in connection</p>
		
<p>44.205.105 Picanol PAT Air jet nozzle without base, 19 holes, Titanium coated, with screw-in connection</p>	<p>44.105.105 Picanol PAT Air jet nozzle with base, 19 holes, Titanium coated, with screw-in connection</p>	<p>44.104.105 Picanol PAT Air jet nozzle with base, 9 holes, Titanium coated, with screw-in connection</p>

PICANOL PAT AIR JET RELAY NOZZLES

		
<p>44.207.205 Picanol PAT Air jet nozzle without base, Slot-type, Nickel coated, with screw-in connection</p>	<p>44.206.205 Picanol PAT Air jet nozzle without base, Star-type, Nickel coated, with screw-in connection</p>	<p>44.106.205 Picanol PAT Air jet nozzle with base, Star-type, Nickel coated, with screw-in connection</p>

<p>44.107.205 Picanol PAT Air jet nozzle with base, Slot-type, Nickel coated, with screw-in connection</p>

PICANOL DELTA AIR JET RELAY NOZZLES

		
<p>45.105.113 Picanol DELTA Air jet nozzle with base, 19 holes, Titanium coated, with screw-in connection</p>	<p>45.105.104 Picanol DELTA Air jet nozzle with base, 19 holes, Titanium coated, with plug connection</p>	<p>45.101.204 Picanol DELTA Air jet nozzle with base, Single hole, Nickel coated, with plug connection</p>

	
<p>45.106.204 Picanol DELTA Air jet nozzle with base, Star-type, Nickel coated, with plug connection</p>	<p>45.107.204 Picanol DELTA Air jet nozzle with base, Slot-type, Nickel coated, with plug connection</p>

PICANOL OMNI AIR JET RELAY NOZZLES

		
<p>46.205.113 Picanol OMNI Air jet nozzle without base, 19 holes, Titanium coated, with screw-in connection</p>	<p>46.105.113 Picanol OMNI Air jet nozzle with base, 19 holes, Titanium coated, with screw-in connection</p>	<p>46.105.104 Picanol OMNI Air jet nozzle with base, 19 holes, Titanium coated, with plug connection</p>

		
<p>46.208.113 Picanol OMNI "BULLET-TYPE" Air jet nozzle without base, 19 holes, Titanium coated, with screw-in connection</p>	<p>46.108.107 Picanol OMNI "BULLET-TYPE" Air jet nozzle with base, 19 holes, Titanium coated, with screw-in connection M8 thread</p>	<p>46.105.102 Picanol OMNI "Z-TYPE" Air jet nozzle with base, 19 holes, Titanium coated, with screw-in connection without sealing kit</p>

PICANOL OMNI AIR JET RELAY NOZZLES

		
<p>46.101.213 Picanol OMNI Air jet nozzle with base, Single hole, Nickel coated, with screw-in connection</p>	<p>46.107.213 Picanol OMNI Air jet nozzle with base, Slot-Type, Nickel coated, with screw-in connection</p>	<p>46.106.213 Picanol OMNI Air jet nozzle with base, Star-Type, Nickel coated, with screw-in connection</p>
		
<p>46.105.114 Picanol OMNI Air jet nozzle with base, 19 holes, Titanium coated, with elbow & screw-in connection</p>	<p>46.208.104 Picanol OMNI "BULLET-TYPE" Air jet nozzle without base, 19 holes, Titanium coated, with plug connection</p>	<p>46.208.204 Picanol OMNI "BULLET-TYPE" Air jet nozzle without base, 19 holes, Nickel coated, with plug connection</p>
