

# TSUDAKOMA AIR JET MACHINES

 <p>24-70121001</p> <p>A solid carbide weft cutter blade with a curved, hook-like shape and two circular mounting holes.</p>	 <p>24-70121002</p> <p>A solid carbide weft cutter blade with a straight, rectangular shape and two circular mounting holes.</p>
<p><b>24-70121001 (624247-71)</b> Solid carbide, Weft cutter blade For Tsudakoma air jet weaving machines</p>	<p><b>24-70121002 (624154-71)</b> Solid carbide, Weft cutter blade For Tsudakoma ZA 200,202,2051,2091 air jet weaving machines</p>
 <p>24-70121003</p> <p>A solid carbide weft cutter blade with a straight, rectangular shape and two circular mounting holes.</p>	 <p>24-70121004</p> <p>A complex solid carbide selvedge cutter blade assembly, featuring a curved blade, a spring, and a mounting bracket.</p>
<p><b>24-70121003 (624154-72)</b> Solid carbide, Weft cutter blade For Tsudakoma ZA 200,202,2051,2091 air jet weaving machines</p>	<p><b>24-70121004 (624311-71)</b> Solid carbide, Selvedge cutter blade For Tsudakoma ZA 200,202,2051,2091 air jet weaving machines</p>

# TSUDAKOMA AIR JET MACHINES

 <p>24-70121005</p> <p>A rectangular metal part with two circular holes and a beveled edge.</p>	 <p>24-70121006</p> <p>A rectangular metal part with two circular holes and a beveled edge, identical to part 24-70121005.</p>
<p><b>24-70121005</b> Brazed carbide, Selvedge cutter blade For Tsudakoma ZA 200,202,2051,2091 air jet weaving machines</p>	<p><b>24-70121006</b> Brazed carbide, Selvedge cutter blade For Tsudakoma ZA 200,202,2051,2091 air jet weaving machines</p>
 <p>24-70122001</p> <p>A metal part with two circular holes and a pointed tip.</p>	 <p>24-70122002</p> <p>A metal part with two circular holes and a pointed tip, mirror image of part 24-70122001.</p>
<p><b>24-70122001</b> Brazed carbide, Selvedge cutter blade LEFT For Tsudakoma ZA 2091 air jet weaving machines</p>	<p><b>24-70122002</b> Brazed carbide, Selvedge cutter blade RIGHT For Tsudakoma ZA 2091 air jet weaving machines</p>
 <p>24-70122003</p> <p>A metal part with a central circular hole and two curved ends.</p>	 <p>24-70122004</p> <p>A metal part with a central circular hole and two curved ends, mirror image of part 24-70122003.</p>
<p><b>24-70122003</b> Brazed carbide, Selvedge cutter blade LEFT For Tsudakoma ZA 2091 air jet weaving machines</p>	<p><b>24-70122004</b> Brazed carbide, Selvedge cutter blade RIGHT For Tsudakoma ZA 2091 air jet weaving machines</p>
